Subject: Informing you about our contract period.

Dear **MALIK MUHAMMAD SHEHROZ**:

It was great to reconnect with you. We just wanted to take a minute to recap what we discussed over at your joining time that we are hiring you for a contract base of 8 to 10 month for our latest process of WFG Typing. Your joining date was August 22, 2019 so your 8 month contract period has been expired.

Also we lost this process (**WFG Typing**) you are working on that's why we are informing you that you should look for a new job anywhere you want. Because your contract has been expired and you have only this month of employment in Systems Limited. After that you will get your termination latter any day of June, 2020.

Sincerely.

SYSTEMS LIMITED TEAMS.
